## Fire and Life Safety Services Fee Schedule

### **SCHEDULE OF FEES**

All plan check, construction inspections and/or fire inspections, and permits required by the California Fire Code, District Ordinance, or California Office of the State Fire Marshal shall be subject to the following adopted user fees.

Fees for plan check shall be tabulated and collected upon submittal of the initial plan for review and be in accordance with Part 1.

Fees for fire inspections, as part of the District's code enforcement program shall be in accordance with Part 2

Fees for permits, as part of the District's code enforcement program shall be in accordance with Part 3.

Miscellaneous reports, standby personnel, safety officer or other listed general services for which the District has adopted user fees shall be in accordance with Part 4.

#### Part 1. PLAN REVIEW AND CONSTRUCTION PERMIT FEES

Fees shall be collected upon submittal of plans for review as set forth in Table 1-A. Fees are based on the type of plan submitted for review. Operational permits required for new systems, processes, or uses necessitating a plan review shall have the initial fire code permit issued with the plan review in accordance with Part 1, Table 1.

#### SERVICE RATE SCHEDULE

Unless waived by the District pursuant to Section 3 of the Fee Ordinance, a service rate shall be applied for the services rendered. This service rate shall be based upon the hourly rate, or overtime rate for the specific position or rank for the employee providing services. In addition, this rate shall include an average benefit cost for safety employees at 70% and an average benefit cost for non-safety at 45%. When determining whether the rate to be charged is the "overtime rate" or the "hourly rate," the overtime rate shall be used if the District is required to pay overtime to the specified employee. If the District is not required to pay overtime to the specified employee, then all hours charged at the "hourly rate."

#### EQUIPMENT RATE SCHEDULE

Apparatus and equipment rates shall be the current rate in effect under the California Fire Assistance Agreement or the Federal Emergency Management Agency equipment rate schedule, whichever applies.
